

Attacher's Responsibility

## page walkthrough

- ① To add an asset in the field that exists but is not shown currently shown in Alden One, you can add it using the "Add Asset" dropdown here.
- ② Click "Add Pole on Map."

Attacher's Responsibility

## page walkthrough

- ① A prompt will be displayed that will tell you to click anywhere on the map to drop the pole.
- ② Click the place on the map where the pole should be marked.

## page walkthrough

- ① A dialog box will appear. Fill in the required fields and any other fields you have the information for.
- ② Click “Save.” The pole is now added to the conversation.

**NOTE:** If you have already added your proposed attachments to the other poles on this conversation, make sure you add your proposed attachments to this pole as well. Follow the steps in the “Adding a Proposed Attachment” walkthrough.
