

aldenONE Homepage – The Search Menu

page walkthrough

- ① Clicking into the Search Bar brings up the Search Menu.
- ② Your Quick Views are here. These views cannot be deleted.
- ③ Your Saved Views are here. Anytime you save a new view, it will be available here.
- ④ The star icon sets your homepage for all future logins (until you change it). The filled star is your current homepage setting.
- ⑤ The pin icon opens a tab for that view anytime you open the application.
- ⑥ To delete a saved view, click the "Remove" icon here.
- ⑦ Close the Saved Views menu by clicking the X, OR by typing into the Search Bar.
