

## Add Asset(s) to a Conversation

1. Click the **Poles** tab of the Conversation.
2. As needed, click **Map** view (top-right).
3. To see other poles nearby, click the **Show Poles** box (top-left of map).
4. Find and click on the pole you wish to add to the Conversation.  
**NOTE:** Hold down *CTRL* on your keyboard, when clicking, to select more than one asset, or use the selection toolbar to the right.
5. With the asset(s) selected, click **Add asset(s) to Conversation** from the **Take Action** menu.
