

File Naming Conventions (Full & Delta)

Your SFTP environment contains folders for both Production and Test (UAT). Each environment includes:

Full File Naming

Format:

```
CompanyNamePole_YYYYMMDD_HHMISS.txt
```

Example:

```
LumaPole_20250115_093045.txt
```

Components:

- Company name (e.g., Luma)
- Literal word: Pole
- Date: YYYYMMDD
- Time: HHMISS (24-hour)

Delta File Naming

Format:

```
CompanyNamePoleDelta_YYYYMMDD_HHMISS.txt
```

Example:

```
LumaPoleDelta_20250115_093045.txt
```

Notes:

- Same structure as Full file
- Includes the word Delta after “Pole”
